Dear Pharmaceutical Manufacturer:

The MO HealthNet Division (MHD) is continuing the state-specific Preferred Drug List (PDL) annual evaluation process. The Division is reviewing specific therapeutic classes, seeking supplemental rebate offers for maximum cost effectiveness for the MO HealthNet pharmacy program. Preferred drugs will be selected in each therapeutic class based on clinical effectiveness and the drugs' relative values within the therapeutic class net of supplemental rebates. These decisions will be made by MHD upon consideration of the recommendations made by the Missouri Drug Prior Authorization Committee and Drug Utilization Review Board.

At this time, supplemental rebate offers are requested for the following therapeutic categories:
