

Dear Pharmaceutical Manufacturer:

On **March 17th, 2022** the Missouri Drug Prior Authorization Committee (DPAC) will review the products on the attached document < **2022.03.17_MO DPAC_Drugs to Bid**> and those drugs that fall in the PDL classes mentioned in the attachment entitled "MOM_Manufacturer_Letter_2022.March 17th".

- **Please review the entire list carefully as drugs are placed under the manufacturer noted in drug compendia and may not be reflective of the most recent acquisition, divestiture, or partner.**
- **Please review the list of PDL Classes carefully to assess if your drug falls in any of the PDL classes listed**

In preparation for this review, on behalf of the MO HealthNet Division, **Conduent State Healthcare, LLC** is requesting supplemental rebate offers for these products.

The preferred contract price/discount for MO HealthNet Division is the Guaranteed Net Unit Price (GNUP) based on Wholesale Acquisition Cost (WAC). The GNUP is calculated as:

GNUP = WAC Price per Unit - Federal Unit Rebate Amount - Supplemental Rebate Amount.

The GNUP represents the value that will determine the supplemental rebate amount each quarter, along with the WAC price and Federal Unit Rebate Amount in effect for that quarter, throughout the term of the contract. The GNUP is also the value that will appear on the supplemental rebate contract.

All supplemental rebate offers may be submitted via **your choice of secure email** directly to Sandra.kapur@conduent.com or via the **Conduent State Healthcare Secure Large-File Transfer Service (SLFT)** site at <https://slft.atos-nao.net> to Sandra.Kapur@conduent.com using the Offer Form that is attached.

Please save the Offer Form file to your local PC and follow the instructions for the completion and submission of the form. All best and final supplemental rebate offers must be submitted by:

5:00 p.m. EST on Thursday, December 9th, 2021

The following information is provided to assist you in completing and submitting your Offer Form, in addition to the instructions included on the Offer Form itself:
